## Declaration of Conformity

In accordance with ISO/IEC 17050: 2004

We, Newson Gale Ltd of Omega House, Private Road 8, Colwick, Nottingham

Declare that:

The Newson Gale CAT 2 Static Grounding Reels are in accordance with the following directives:

94/9/EC          ATEX Directive and its amending directives

- Have been designed and manufactured to the following specifications:

EN13463-1: 2001

I hereby declare that the equipment named above have been designed to comply with the relevant sections of the above referenced specifications. The equipment complies with the essential requirements of the Directives.

Signed by:

Name: Ian J Edge

Position: Technical Manager

Location: Colwick, Nottingham

Date: 26 September 2008

In with regard to the relevant Essential Health & Safety Requirements (EHSRs) of the ATEX Directive 94/9/EC, the following declarations are made with respect to the Newson Gale Static Grounding Cable Reels

EHSR 1.1.2:

The constructional materials of the equipment are deemed to be suitable for the intended use. The reels are designed for dissipating undesirable static electricity away from conductive objects during a process. All Grounding Reels should be connected to a high reliability ground point. Grounding Reel SRDC and VESM01 is intended to be used with specific EEx ia monitoring systems provided by Newson Gale Ltd. The Reel should be operated carefully, slowly and smoothly. The Reel should be taken out of service if it becomes damaged. The reel should be returned to Newson Gale Ltd for any repairs.
